COURSE	DESCRIPTION
BASE PACKAGE EXAMPLES	
<p>Interprofessional Training on Military Connected Families https://mdbehavioralhealth.com/militaryfamilies/course</p> <p><i>Developed in partnership with the Department of Psychiatry at the University of Maryland School of Medicine</i></p>	<p>Designed to help youth-serving staff to better understand and to be aware of unique considerations, skills, and resources that can help support the success of military connected families.</p>
<p>Interprofessional Psychotherapy for Eating Disorders https://iptford.com/course</p> <p><i>Developed in partnership with Washington University in St. Louis School of Medicine</i></p>	<p>Evidence-based psychotherapy for the treatment of bulimia nervosa, binge eating disorder, and subclinical eating disorders, as well as depression. The premise of IPT is to link the onset and maintenance of symptoms to interpersonal events in a patient's life.</p>
ENHANCED PACKAGE EXAMPLES	
<p>Cognitive Behavioral Intervention for Trauma in Schools https://cbitsprogram.org</p> <p><i>Developed in partnership with the RAND Corporation, the University of Southern California School of Social Work, and the University of California, Los Angeles</i></p>	<p>A school-based, group and individual intervention, designed to reduce symptoms of post-traumatic stress disorder (PTSD), depression, and behavioral problems, and to improve functioning, grades and attendance, peer and parent support, and coping skills.</p>
<p>Via Hope Online Learning https://viahopeonlinelearning.org</p> <p><i>Developed in partnership with Via Hope Texas Mental Health Resource</i></p>	<p>Provides training, technical assistance and consultation to individuals in recovery from mental health concerns, their family members, youth who are interested in mental health, and mental health professionals throughout the state of Texas</p>
<p>Group MI for Teens https://groupmiforteens.org</p> <p><i>Developed in partnership with the RAND Corporation</i></p>	<p>Guidance on facilitating motivational interviewing-based interventions in group settings with adolescents. Programs are designed to help teens make healthy choices about alcohol and drug use.</p>

*Post-Development Licensing: Once the E-Training for Professional Development webpage is launched for end users, a licensing fee of 10% of development costs will be due on an annual basis. This licensing fee covers software hosting, technical assistance to users, secure server certificates and secure data storage, software upgrades, administrative access to user-generated data, and other customer services. Significant modifications, improvements, and additions will require a separate development agreement.
